## ≡ Work Experience

---

### DIRTY ROOTS BERLIN - INTERNATIONAL INTERNSHIP

Spring 2025

Redesigned and migrated the e-commerce platform from Squarespace to WordPress to improve scalability and long-term maintainability. Implemented new site features and improved existing functionality in collaboration with the team. Contributed to UX and UI improvements, focusing on clearer navigation and a smoother customer journey.

### GOYA COFFEEHOUSE - STUDENT JOB | WAITRESS, BARISTA

2024 - 2025

Prepared and served coffee, beverages, and breakfast items while maintaining high quality and consistency. Managed kitchen tasks including food preparation, cooking, and cleaning in a busy service environment. Provided friendly, customer-focused service and handled multiple tasks simultaneously during peak hours. Developed strong communication, teamwork, and time-management skills.

### DELHAIZE - SHOPWORKER

Summer 2014

Operated the cash register and assisted customers with questions and purchases. Ensured a positive customer experience through clear communication and reliability. Gained early experience in responsibility, punctuality, and client-facing work.

### LEIE AUTOS - CONTENT CREATOR

Winter 2025

Created digital content for social media and marketing campaigns, including visuals, captions, and short videos. Assisted with planning and scheduling posts for Instagram and Facebook to support brand visibility. Edited photos and videos of showroom vehicles and promotions, aligning content with brand guidelines. Designed and compiled a clear, customer-friendly accessories catalogue for in-showroom use, supporting sales conversations and customer decision-making.
